—A few days ago two of Dr. Talbott's children, one a boy of 14 and the other a girl under 12 years, concluded to journey to see the world. They got as far as Rosendale, in Andrew county, from which place they were brought back home. They are happy now, and can appreciate a good home, and have seen all of the world they want to. They probably started with the intention of visiting an uncle in Kansas.
